ANGELA'S ANGLE

After being fired up after the Olympics, Rotary High Risers took to the Toombul Croquet Courts. We took it very seriously to the extent that my team ensured our croquet balls were colour co-ordinated with our outfits (extra points for matching gear!!!). After a few tips from the members of the club (who could actually play) we started our games amongst much sledging and laughter. The great thing about croquet is that any age and fitness level can play, as it is all about strategy and skill. While many of us got the strategy, the skill was still sadly lacking by the end of the day. The good news is we had four courts under play and no one was injured the entire day, which is amazing when you consider we all had big sticks. It was a great day and thanks to Bill Leveritt and family for a fun and enjoyable Sunday morning. Not sure that any of us will make the national team (or any team) but it was fun. Bill did a great job on the BBQ and the lamingtons accompanying the real cup of tea (teapot with a hand knitted cosy) made for a very Australian morning tea. Thanks to everyone who came along and made the day a success.

The Board met on Monday night and is planning an event for next year to celebrate our 20th anniversary as a club (chartered in May 1993). Brisbane City club is celebrating 90 years next year (chartered on 29th of May 1923) so there is some scope to work together to have a gala Rotary event mid 2013, celebrating Rotary and all that has been achieved in Queensland. As plans progress I will keep you posted. We are jumping through more hoops to get closer to the matching grant for the Mamba school with offers of help from the District to assist in the "hoop jumping".

It was sad news last week to hear that Sylvia Raleigh is moving to Hervey Bay. She will be sadly missed from our club and social functions. We wish her well in her new location and the exciting next phase of her life. Good luck and best wishes, Sylvia!!!

UPDATE AYAAN

Co-Ordinator
Noela P

The Project Team members met at Susan's home to review our progress and discuss 'where to' next. John Arvier confirmed the medical support team is organized and the Wesley Hospital Management look forward to providing the facilities. We are blessed, aren't we? Broad surgery timings were discussed, however, given the Visa process has just commenced, it is difficult to plan dates with any certainty. Rob and Megan, Minter Ellison Lawyers, have been a wonderful help in assisting to complete the visa submissions. So fortunate to have them on board!! Initial discussions also focused on how to best promote Dr Edna's Hospital and share her Somaliland story during her Brisbane stay of two weeks.

Forgive me if I have told you this before, but she is an inspirational woman and an engaging speaker! FOCUS is now on the Fundraiser for Ayan – the **Golf Day at Keperra on Friday 14th September**. Many thanks to those who have already donated raffle prizes or have promised to do so. We still need **PLAYERS, SPONSORS AND PRIZES**. **Can you help?**

Please inform Bill or Lindsay of your intentions. Let's make this day a huge success…… From all of the team, a big thank you for your continued support and interest. As well, Dr Edna repeatedly expresses her grateful thanks on behalf of Ayan, and sends her "blessings" to all.

UPDATE RYPEN

RYPEN youth leadership camp for 14 - 17 year olds is being held at Coolum this weekend with our club sponsoring 2 attendees; a Student from the Albert Park Flexible Learning Centre, Britt Dempster & a Youth Leader from the Redlands Rotaract Club, Emma Thomas. Very exciting news with both our nominees, Charles Pidgeon and Joe Orange of Brisbane Boys' College, recently being selected by the District as 2 of the 432 from around Australia to attend the National Youth Science Forum (NYSF) in January 2013.

UPDATE ROMAC

Romac in the name of Rotary. Larisah is just one of the many success stories and due to the work of Romac the wonderful news is that our little smiling Larisah Barikoa is well and returned to the Solomon Islands on Tuesday. Larissa must stay in Honiara for 3 weeks under the care of Dr. Carol Tittiana, Paediatrician, who cared for her before she came to Brisbane. She can then return to her village by boat.

OUR BOARD AT WORK

The Board are looking at Members continued support in the coming months. Please take note of our Noticeboard and calls to join in for the Charity Golf Day on 14 September, sponsors and players. Melbourne Cup is coming up in a few months and the Trifecta sweep will soon be available. We will soon start asking for Sponsors to next year's Rotary Art Spectacular as well.

OUR DAY OF FELLOWSHIP - We need to thank – Caroline, Bill and Elenor and the Toombul Croquet Club for our Sunday of Fellowship. Between the blue, black, yellow and red balls, the mallets, and the fashions on the field!!!, real tea served with love, the lamingtons, sausage sizzle and the hats – the day was a load of fun. Thanks to one and all.

As Editor of Hot Air – I was very, very, very, very careful to select only the shots and more importantly the 'angles' that showed everyone's concentration. The really good shots can be bought at a small fee !!

SEPTEMEBER

Four questions for
New Generations

September, Rotary celebrates our commitment to young people through Interact, Rotaract, RYLA, and Rotary Youth Exchange. Here are four questions your Rotary club can ask about service to youth and young adults:

- *How can your district involve young people who are past participants of Rotary's New Generations programs?*
- *How many Rotarian mentors can you connect with Rotaractors during the next three months?*
- *Which of your sponsored Rotaract or Interact clubs will be eligible to earn a 2012-13 Presidential Citation?*
- *How will your club celebrate the 50th anniversary of Interact during the week of 5 November?*

Attend a webinar on New Generations in September. And download *An Introduction to New Generations Service* to learn how to work with young people in Rotary and your community.
