### WENDY'S WISDOM – the LAST ONE!!!!

And so we come to the end. It's been an amazing experience to have the role as your Club President for the 2013 – 2014 year and made better for the opportunity to work with a Board of committed and exemplary High Rise members. This week I'll provide the end of year wrap up and reflect on what each of the Committees achieved but here I'd like to publicly express my thanks to Angela (Past President and latterly Hot Air editor); Rosemary (Secretary); Deb (Treasurer); Jennifer (Foundation); Lindsay (Youth); Barbara (Membership); Yvonne (Fellowship); Kim (Program) and Margot (Service). Also to Joy, Ros, Barry and Mark for the weekly responsibilities they undertook. A very special thank you to those who provided me with counsel and support whenever I asked. At work I ask each of my service Managers to reflect on a series of seven success features (found somewhere long ago) and use them in creating high performing teams:

- Do positive relationships exist? (sufficient to positively influence culture)?
- Is the environment inclusive?
- Are there plenty of chances to value and practice service goals?
- Do we provide opportunities for staff to achieve mastery in what they're doing?
- Is the environment safe?
- Do we model and encourage learning by doing?
- Do occasions exist for participation in future planning?

If we replace the word 'staff' with 'members' then I'll be able to discuss High Rise as an example of a Club where those features do exist. Together through a focus on the ideals of Rotary, good design and good luck we have gravitated to a high performing team. This has been a year to remember – Thank you. Best wishes to Lindsay and his team. We're all looking forward to supporting you in your year of leadership.

Bill and Elenor Leveritt dressed appropriately and enjoying the Scottish summer!!!

Our High Rise Ambassador in Denmark, **Scott Marshall**, meets Emelie, our inbound exchange student, at her home. I am sure he made a good impression.

See photo of Brett Mitchell a past member of Rotary High Rise at the new Arch C Klump Gallery in Parramatta. Brett very sadly passed away as a result of a car accident many years ago. The Arch C Klump Society recognises Rotary's top leaders and innovators. They are the key supporters of the Foundation and their involvement is vital to its work. To become a member of the Arch C Klump Society you need to have contributed over \$250,000 to the Foundation – something to aim for!!
