LINDSAY'S LINES

Our Youth Exchange (YEP) student from Denmark, Emilie, moved over Easter to her final host family, Deb and Alan. It doesn't seem that long ago Emilie left our house to stay with the Tillmmans let alone the fact that she has been with the Wappetts since January.

Personally, if I had a spare bedroom again, I would not hesitate to host again. With our Outbounder, Sally Irving, spending this year in France, we will host a French girl, Marie Meurin, from the end of July for a year.

YEP is an extraordinary Rotary Program. You just have to meet some of the "Rebounders" at last week's Rotaract Club Charter dinner or our own Sarah Osborne and Susan Rix to attest to this.

So, if you have a spare bedroom for about 3 months over the next year, or know someone suitable who does, please let Susan Rix, James Goodman or myself know.

Finally, also a reminder to

- a) purchase your tickets to the ANZAC Centenary Commemoration Function on Tue 21/4/15 to meet the reps of Maheno School as a replica bell is presented to the Qld Maritime Museum,
- b) seek tax deductible donors to fund the production of this replica bell (see club website) and
- c) let us not forget to seek sponsors for our major annual fund raiser, the Rotary Art Spectacular.

Links are available in the online version of Hot Air for your convenience.

Speakers corner

Adrian Tiller studied Agricultural science in Adelaide and was an advisor in Department of Primary Industries (DPI) in Roma for more than 10 years. His presentation this week is on organic management of cattle, sheep and goats on two farms at Roma. The farm size is just a touch larger than hobby farm at 60,000 Acres. He now also has two organic butcher shops in Brisbane at Sherwood and Toowong – Looks like we may need to detour that way before our next BBQ.

Adrian has 20 + years of Rotary service he and his wife are both members of Jindalee club

Anzac Day 2015 Update

An email from some of our excited billets

We are a family of six with one on the way, a wee boy due June 13th.

My wife and I have been married for eleven years and we live on a market garden near Totara, Oamaru where I work and help run with my boss. Libby is 12, Kase is 10, Lucan is 8 and Maddison is 6.

Attached is photos of my wife and I in November last year with Libby and Maddison and the four children together at a sports day last year. We are due a new family photo they are all a bit old now.

None of us have ever travelled out of new Zealand so this will be quite and experience for us.

We are very excited with only two weeks to go, the kids are counting down!

We look forward to meeting you and your family
See you in two weeks!

Grant Robb.

The Maheno Model has arrived!

Emilie's Excerpt

Emilie having Easter breakfast with Margot & daughter Louise, and Deb at Story Bridge Cafe & Deli

Feeding Flynn – I do believe there will now be a line up of parents and grandparents asking for assistance

Can you feel the love tonight?

Thought for the day

To err is human, but to really foul things up you need a computer.
~ Paul Ehrlich ~

Eddie's Epilogue

Eddie would like to make a complaint to the makers of iPhone. He believes Siri should be fired. He clearly requested "car" followed by "a car" and was very disappointed when she failed to show images of cars. His solution – throw her away (Thank god for lifeproof cases)
