## HOT AIR

District 9600  
Serving the Heart of Brisbane  
28 May 2015

### LINDSAY'S LINES

Our Rotary District 9600 held its Annual Assembly on the weekend. Our club was well represented by 9 of us attending, 3 of those as presenters ( John Lee – ROMAC, Barbara Leddy – Hummingbird House & John Ker – Conflict Resolution). Whilst dealing with District admin matters, such as approval of the District Budget, is important for good governance, the real value was to learn more about and discuss District Rotary Programs and update on the support available to the clubs throughout the District, especially coming into the new Rotary year. Sessions held included:-

Club Admin – Secretary, Treasurer, Risk + Strategic Plans

Rotary Foundation – Grants, Peace Scholars, Fundraising + PolioPlus

Membership – Recruitment, Retention, Visioning, Rotaract + Youth Exchange

PR – COGS, Social Media, RI Websites + Conflict Community Service – ROMAC, Aust. Rotary Health, Hummingbird House + Basic Education & Literacy International – Food Plant Solutions, RAWCS, International House + DIK

Vocational - 4 Way Test, Low Cost Shelters, Computers 4 Learning + Pride of Workmanship Youth – RYDA, RYLA, RYPEN, RYPEN + NYSF

I always learn something new and enjoy hearing what other clubs are doing and the lessons we can all learn as part of a collective. It is also a reminder that we are all part of the world of Rotary where the common theme is Service Above Self and why we are Rotarians and, in particular, members of our club.

Our club's largest fund raising project, Rotary Art Spectacular, opens this Thursday. A few of us caught a glimpse of the Art when they were delivered on Saturday and were duly impressed. With a new venue, we also have a fresh approach with art able to be viewed online so check it out. Please get behind this project by helping with the rosters and attending the Cocktail Function on Thursday. If your name isn't down, it is never too late.
