

Kym's Catch Up

It is fabulous to see the new AEIOU facility in Logan open this week, and especially inspiring to see photos of the playground area, as fundraising from the Art Spectacular was used to build the sail covering.

The Art Spectacular is a large project, undertaken each year by Stones Corner, Hamilton and High-Rise Rotary Clubs. Planning starts almost a year before the show, and involves many Rotarians, the beneficiary charity, curators from Lethbridge Gallery, sponsors, friends and relatives. The efforts of so many people are well worth the investment of time and energy when you see the results and imagine the enjoyment of children using the new playground. It's a resounding example of Rotarians being people of action.

Even better news is that we're not alone! I visited Brisbane Rotary Club this week and heard about the many projects they have underway, as well as Fortitude Valley's new MeetUp initiative.

We don't need to look far for inspiration or for opportunities to be involved in the great work being done by local Rotarians.

President Kym

ROTARY GRACE

May those assembled here today enjoy the many offerings of Rotary. May we abide by the rules we have established, those of trust, fellowship and ethics, and may we place Service above Self, in our daily endeavours.

TIINA'S REPORT

Tiina has had another great week at the Marshalls. She has tasted kangaroo meat, got an A in her first Math Assignment, beat Lindsay at 8-ball pool, and enjoyed some rainy weather on the weekend by watching Netflix and eating ice cream. On Sunday she visited the Scandinavian festival with Diane and Lindsay and met Elizabeth Ling (former member of High Rise) and enjoyed some home-style Finnish cooking.

THANK YOU FROM AEIOU at their OFFICAL OPENING

The new AEIOU centre at Logan was officially opened last Friday (7 September 2018). It can accommodate 50 children from the local area and their families. It is very impressive and will form a research hub in conjunction with Griffith University's Logan campus. The Rotary Art Show provided funds for the outdoor play area.

VASCOLYNNA PROJECT *Heading in the right Direction*

We have been advised that the Department has commenced assessing the application.

Duane and Vascolynna have been asked to make an appointment with a panel physician and undertake health examinations at a PNG approved clinic.

Some sad news has also come though from Duane. He emailed to let us know of the passing of his wife and Vascolynna's Mother. The next few weeks will be a very difficult time for the family so his focus will naturally be on them .
