ANGELA'S ANGLE

This is National Cerebral Palsy Awareness Week and we had a great start to the week with our Picnic in the Park Celebration with over 8,000 people attending. Thank you to the members of the Club who volunteered and helped to make the day such a success and to all those who had connections in high places and created the best weather ever!! How good is this winter!! I was down south late last week and I am not sure how they live there, so cold, foggy and wet. Yuk.

While we have great weather, it appears that Queensland will be the only state not to have a National Disability Insurance Scheme trial. We live in interesting political times when Queensland can't even find 20% of funding needed to get a trial underway (approx \$600,000). Considering Queensland is the poorest funded state for disability in Australia you think they would be looking for every opportunity to do things differently. As Queensland limits the funding to support people with disabilities stay tuned and watch the Health and Child Safety budgets blow out of control as parents very reluctantly relinquish their son or daughter into State care which is at best triple the cost of in home support.

On to brighter topics – the Olympics. Those late nights and early mornings are starting to catch up with me but it is great viewing. Oh to be that fit and talented!!! Perhaps our guest speaker on chiropractic services may help us to at least keep moving. See you Thursday.

ROTARY GRACE

O Lord and giver of all good, we thank you for our daily food. May Rotary friends and Rotary ways help us to serve you all our days.

UPDATE AYAAN

Co-Ordinator
Noela P

The wheels have been turning somewhat slowly as we enter the Passport and Medical Visa Application stage of our Project. Ayaan has been required to apply for a Somali Passport and is currently in Somalia organizing this process. Given travel within this region is not without its safety issues, I am looking forward to hearing that she achieved her goal and has arrived safely back in Somaliland. Administration procedures in East Africa may take a little longer than indicated. There is a very appropriate saying "no hurry in Africa" and "poly, poly" slowly, slowly. This is so true...we have experienced it first hand in Tanzania and Kenya. Our major fundraiser for Ayaan, a Golf Day, is planned for Friday, 14th September, at Keperra Golf Club. You are most welcome to participate as we plan for a fun day. Better still, organize three mates and enter a foursome. Please see the attached/enclosed flyer for details.

Thank you all once again for your continued support, words of encouragement and ongoing interest in our endeavours to bring Ayaan to Brisbane for her facial surgery. **Noela P**

Registration is now open for the 2013 RI Convention in Lisbon, Portugal, 23-26 June! Lisbon is an explorer's paradise. Perched on the west coast of Europe, Portugal's capital city is a charming combination of old-world appeal and modern flair. As one of the oldest cities in Europe, Lisbon can boast a colorful history that's been preserved in world-class museums and iconic monuments. Sun-drenched neighborhoods will offer a warm welcome as you learn more about Rotary while enjoying fresh seafood, traditional Fado music, and historic wonders.

CROQUET DAY

Sunday 19 August, 2012

10am to 1pm

Toombul Croquet Club cnr Melton Rd and York St, Nundah
 Morning tea on arrival, BBQ lunch, Croquet games for everyone
 from 10am onwards, BYO
 Cost \$30 per adult

No dress code, other than bring a hat and flat soled shoes (high heels damage the lawn).
 The croquet club has regular games for members starting at 1pm, but if anyone is serious
 about croquet I'm sure they could stay on and get some lessons from the experts.

Unsure if you would like to join in on this day of frivolity?

Why perhaps some words from **Sir William Schwenck Gilbert** might help:

"It is an outdoor game, and differs from leapfrog in being one of the very few in which both sexes can join with propriety. It is allied to many pleasant associations - a fine day, a smooth lawn, pretty boots, bewildering petticoats and agreeable interludes." *Broadway Annual, 1968*

Polio in Pakistan

Rotary International is aware of the recent news reports on the polio vaccination program in Pakistan. We continue to work closely with our partners in the Global Polio Eradication Initiative and the government of Pakistan to ensure our progress continues. In March, I met with Pakistan President Asif Ali Zardari, who reaffirmed his commitment to polio eradication. I thanked him for his continued support and key appointment of Shahnaz Wazir Ali as the overall point person for polio eradication at the federal level. Pakistani Rotarians also continue work diligently toward polio eradication. They are actively working alongside health workers, monitoring immunization activities in their communities. District teams and club president-elects received training earlier this year. Public awareness events have included polio walks, field hockey tournaments and a "Kick Polio out of Pakistan" football tournament. Pakistan Rotarians have partnered with CocaCola Pakistan, which donated billboards and signs. And earlier this month, Rotarians helped to secure the signatures of 150 Pakistani Parliamentarians in support of polio eradication. Pakistani and Indian Rotarians also are working together to share best practices and lessons learned from India's recent success at stopping the spread of indigenous polio, an incredible milestone that removed India from the list of polio-endemic countries. Pakistan too has made great progress toward polio eradication this year, and we will continue to work in every polio-affected country toward our goal of a world where this terrible disease is no longer a threat to children anywhere.

*Robert S. Scott
Chair, Rotary International PolioPlus Committee*
