

HOT AIR

District 9600
Serving the Heart of Brisbane
06 September 2012

ANGELA'S ANGLE

At last Spring is here. I hate Winter, it makes those early Thursday mornings very difficult. We have now turned the corner and the days are getting warmer and longer. Congratulations to everyone who completed the Bridge to Brisbane and / or supported Yvonne in her fundraising efforts. It was a beautiful day for it. Congratulations Yvonne on exceeding your fundraising target and assisting **Kids Helpline**, which is a great service for children in need of advice and assistance.

Sunday was a busy day with many members also involved in family activities to celebrate Father's Day. Fathers and father figures play such an important role in raising the next generation and it is important that we stop our busy lives and take some time to celebrate the contribution they make. Who else can fix the unfixable, make fairy wings at a moment's notice for the school concert, tickle you until you cry from laughing, put the bait on the hook when fishing, take the fish off the hook and then untangle the fishing line and still smile. Who else lets you eat dinner in front of the TV, allows you to give your vegetables to the dog, provide you with the extra cash for the emergency purchase (new shoes) and regularly says "don't tell your mother". Dads help keep the world a safe, fun and sane place. To all the Dad's in our Club – thank you.

In recent weeks we have had a few speakers highlighting the needs in overseas countries. I have to admit I sometimes feel overwhelmed by just how much there is to do in this world while also being amazed by how big a difference a small amount of money can make. One of the reasons I joined Rotary was so I could work with others to make a difference in many different areas through one avenue. Have a finger in many pies, so to speak. It is great that we have the District Governor, Dai Mason, attending our Club this week to give us an update on what is happening in our District and in Rotary generally. Please make sure he feels welcome and included in our Club.

ROTARY GRACE

O Lord and giver of all good, we thank you for our daily food. May Rotary friends and Rotary ways help us to serve you all our days.

SPONSORSHIP REMINDER CHARITY GOLF DAY Friday 14 Sep
 Keperra Country Golf Club

GOLF DAY! GOLF DAY! Have we told you about the GOFL DAY!
 Your support is needed – SPONSORSHIP – ATTENDANCE AS A PLAYER – RAFFLES ALL IN SUPPORT OF AYAAN and SIDS for Kids.
 We ALL need to get behind this project – with donation. If you can play golf, can't play golf, want to be a après-golfer – this is the event to turn up to, participate in and loose a few balls at ! If you thought Croquet was a fun day – then Golf will float your boat. *Cyclists accepted !!!*

UPDATE AYAAN

Co-Ordinator
Noela P

Good news! Today (Monday) Rob from Minter Ellison Lawyers indicated he received all Visa documents for Ayaan and Dr Edna. Having the expert assistance of Rob and his team removes much of the anxieties associated with this Visa process. I am so grateful to Minter Ellison!! Of course, there are many steps in the process, however, this is an important one.

The next question is, when might we expect Ayaan in Brisbane? There are so many variables. It appears early 2013 may be the earliest possible time, although if Visa applications are progressed hastily, Ayaan's surgery may eventuate later this year.

This leads me to our major fundraiser, the Golf Day at Keperra, on Friday, 14th September, only 11 days away. We have had a wonderful response from prize donors, **but still need players for the day**. Can you help muster a team from your office or gather a group of friends together for what will be a great day of golf with many laughs I'm sure. If you are not able to participate, please come along and join the merriment after 4.00 pm. And you may win a raffle or two!

In closing, I received an email from Dr Edna and it went:

"Today was a rough day at the farm where we grow some vegetables and fruits. We had heavy rains during the night and the floodwaters ripped away the pipes from our well. We do not yet know whether or not the well itself has survived. The farm will need to be replanted as all the seedlings have gone". She went on to say in another email "others are worse off, so we don't have much to complain about." What resilience!! Edna is an amazing lady – I look forward to sharing more about her later.

As always, on behalf of the team, my sincerest thanks for the continued offers of assistance which regularly come our way. I feel blessed to be surrounded by such wonderful people.

TWO OF OUR NEWEST MEMBERS EMBRACED NOT JUST OUR PHIL, BUT THE CHALLENGE TO RAISE FUNDS FOR KIDS HELP LINE - Thanks to the generosity of members, and friends Yvonne raised \$1000 and Denise \$500...Phil and I were the eye candy on the day, that was our challenge!

Foundation News

Water and Sanitation

The challenge

- Worldwide, 2.6 billion people — 72% in Southern Asia — lack access to improved sanitation facilities, and 884 million — 37% in sub-Saharan Africa — do not use improved sources of drinking water. (WHO/UNICEF)
- Women generally are the ones burdened with the task of collecting water, which can take up to 26% of their time. (WaterAid)
- In sub-Saharan Africa, 18% of the population relies on an improved drinking water source that is more than 30 minutes away. (UNICEF & WHO)
- This year, 2.2 million children will die from diarrhea and related diseases, and 80% of them will die within the first two years of life. (Rehydration Project)
- Sponsor a scholar studying water and environmental management
- Implement a sanitation project in a rural village to construct latrines and provide hygiene education to residents

What you can do

- Install rainwater harvesting systems at schools, clinics, and community health centers
- Provide training to community leaders on management and maintenance of water sources

Goals for Water and Sanitation

- Increasing equitable community access to safe drinking water and basic sanitation
- Supporting studies related to water and sanitation
- Strengthening the ability of communities to develop and maintain sustainable water and sanitation systems
- Educating communities about safe water, sanitation, and hygiene

You can now search for a Rotary club with RI's free mobile app. In the Apple app store and Android market, it's called the Rotary Club Locator from Rotary International. The app also will soon be offered for BlackBerry phones.

DIK STORE ROSTER TO JUNE 2013

Clubs from **District 9600** on roster for duty to help pack containers are as follows:

- 1 September** Ashgrove-The Gap, Bris Mid City
- 6 October** Mitchelton, Hamilton
- 3 November** Redcliffe City, Samford Valley
- 1 December** Windsor, Aspley
- ..and for those who believe in planning...
- 2 February** Bribie Island, Ashgrove the Gap
- 2 March** Stafford, Kenmore
- 4 May** Bris High Rise, Sandgate
- 1 June** Caboolture, Pine Rivers

100 to the Solomon's and 700 in total

In August three containers were packed at the Brisbane DIK store. One of these was the **700th container** since the first was sent to Port Moresby in 1992. However you look at it 700 is a large number, but when you consider 700 shipping containers each at least 10 tonnes you have **in excess of 7,000 tonnes** of donated Health and Education goods....and while we are counting, in July the container sent to RC Honiara from DIK Brisbane was the **100th sent to the Solomon Islands**. Well done DIK, but pat yourself on the back, it does not work without your support!

There has been a lot of space in these newsletters telling of the large numbers of hospital beds being sent away by DIK and the picture above of beds received by the School of Nursing and Health Studies in Honiara makes it all worth-while.

STEAM TRAIN TOUR 23 Sept Carnival of Flowers

Join the Railway Historical Society trip
40 seats in our own heritage carriage are available
to cross the Lockyer Valley, pass through tunnels that
