ANGELA'S ANGLE

Given our national psyche is so intertwined with sporting achievements Olympic time appears to provide a regular period of reflection for Australia. We have become a society so obsessed with being the best and showing off to others that we seem to have missed the whole point of the Olympics, which is everyone celebrating the amazing achievements of individuals doing their best, no matter where they come from. It is a sad world when you get a silver medal and a country dubs you a loser, especially when those doing the name calling usually have never swum a lap of a pool, ridden a bike nor held an oar.

I wonder what this tells us about ourselves as a nation, are we losing patience with those that don't excel by living up to high expectations rather than celebrating with them for each step they continue to take to improve. Do we give up too easily on ourselves and others because we can't be bothered to continue to put in the effort knowing we can be good but never the best. You have a great opportunity coming up to do your best knowing you probably won't win – enter the Bridge to Brisbane and support Kids Help Line. Here is a great chance to improve your fitness and help others to improve their lives all at once!!! If you have left your preparation a bit too late, consider volunteering and helping out on the day. We will be calling for volunteers at our meeting this week.

ROTARY GRACE

O Lord and giver of all good, we thank you for our daily food. May Rotary friends and Rotary ways help us to serve you all our days.

RI President's monthly message - August 2012

Dear fellow Rotarians, What is Rotary? When I ask Rotarians this question, they often give vague answers. And when I asked myself this question, I had to think about it. August is Membership and Extension Month in Rotary, and I want all Rotarians to be able to send a unified message about what Rotary is and why they joined. The key to increasing membership is for every Rotarian to be convinced that it's good to be a Rotarian, and to convey that passion to others. In Rotary, we have a tendency to be humble and keep our achievements to ourselves. But we must share them with those around us and with the world. Every Rotarian has a specific moment that stands out and has a special meaning. Some people refer to this as their "Rotary Moment." I believe it is very important to share this moment with others. Facts and numbers can only go so far, but sharing a personal experience can open doors and build friendships. That's why I decided to create some sample messages that I call "Rotary Moments." You can use these one-minute and three-minute messages to answer the question "What is Rotary?" in a way that is most personal to you. They will help you talk about the projects you've been involved in, how they've helped your community, and what's been most meaningful to you. These sample messages will help us all clearly communicate our enthusiasm to others. This will lead to an increase in new membership and in member retention. The messages are available for free download at www.rotary.org, and Rotarians can buy other membership materials at shop.rotary.org.

CROQUET DAY

Sunday 19 August, 2012
 10am to 1pm

Toombul Croquet Club cnr Melton Rd and York St, Nundah
 Morning tea on arrival, BBQ lunch, Croquet games for everyone
 from 10am onwards, BYO
 Cost \$30 per adult
 No dress code, other than bring a hat and flat soled shoes (high heels damage the lawn).
 The croquet club has regular games for members starting at 1pm, but if anyone is serious
 about croquet I'm sure they could stay on and get some lessons from the experts.

Unsure if you would like to join in on this day of frivolity?
 Why perhaps some words from **Sir William Schwenck Gilbert** might help:
*"It is an outdoor game, and differs from leapfrog in being one of the very
 few in which both sexes can join with propriety. It is allied to many
 pleasant associations - a fine day, a smooth lawn, pretty boots, bewildering
 petticoats and agreeable interludes."* *Broadway Annual, 1968*
