## ANGELA'S ANGLE

Thanks to Bill for stepping in last week. My Mum is fully recovered after eye surgery and I am yet again astounded at the efficiency and quality of health care in Australia. We really are very fortunate to have access to such outstanding medical services. I noticed even the food in the cafeteria seems to have improved.

I was disappointed to hear that the Joker draw went off. Lately it seems to be won when I am not around. Congratulations to Yvonne. I will let you know when I am next not in attendance so you can buy extra tickets.

Please put as much effort in as you can to sell Trifecta tickets. Our aim is to sell all the tickets and raise \$5,000. This is a great fun way for us to work together as a Club and involve others to support the Mamba school in Tanzania. Only a few weeks left.

Don't forget this week is gadget week. **MAKE SURE YOU BRING YOUR IPads and IPHones.** I am sure we will all learn something and have a lot of laughs.

This Sunday is Walk for the Cure at 7<sup>th</sup> Brigade Park at Chermside. See you there bright and early.

## Awaken Mozambique

The majority of people in Mozambique live on less than \$2 a day. This means that they are unlikely to ever be able to improve their circumstances without help.

**Awaken Mozambique** is a not for profit organisation which began in 2008 for the purpose of raising funds and arranging micro-loans (usually less than \$500) for small business entrepreneurs in Mozambique. Loans can be for all sorts of purposes, from starting a market stall to opening a hair dressing salon. The loans are having exciting results and changing the lives and futures of the borrowers and their families. Can you join us by supporting a small business?

## Trifecta Project

If you are into racing you know the Melbourne Cup is not far off when the distribution of trifecta tickets to Club members begins. Yes it is that time of year again and as we did last year we have committed to sell two sets of tickets. That's 4028 tickets.

When you do the sums you will soon realise that even if every member committed to take 50 tickets we will end up short in the distribution of both sets of tickets. So my special plea is to take more if you can. The average required is about 70 per member. If we can do that it saves me a few sleepless nights. Any shortfall and it becomes a mad scramble in the last week before the Cup.

The beneficiary remains as it has been for the four years that we have run the trifecta project i.e. the Mamba Primary School. This year's funds are particularly important as they top up our commitment to the Rotary Foundation in our matching grant submission.

Finally there is a job going for an apprentice trifecta coordinator. No experience necessary just plenty of front, a thick skin and comfortable asking for money. I will be away for a couple of weeks (fishing.....sort of!) in October and need someone to keep things moving along.

## CALL TO ACTION Colin Beckett

Colin Beckett is seeking donations to support Julia Semese a Grade 11 student at Peter Claver High School in Maokeng who needs an electric wheelchair

At the age of ten, Julia underwent a surgical procedure that left her without the permanent use of her legs. Julia currently relies on an ordinary wheelchair which severely limits her independence.

The school has approached the Rotary Club where Colin is President to help with the procurement of a motorised wheelchair for Julia – the cost will be in the region of R20,000.00 (approx AU\$2,350). Over the last few months his Rotary club has nurtured the development of an Interact club at the Peter Claver High School. With the encouragement of the school principal (Ms Zunelle Du Ru) this fledgling Interact club has begun fundraising for this project with the aim of realising R1,000.00. If you would like to help may a difference to this young woman's life please contact Colin directly at:
