ANGELA'S ANGLE

Thank you to Bill for filling in last week. Perth was freezing and very wet with horizontal rain and hail. Great to be back in the land of sunshine!! Dai Mason (District Governor) has not rung and struck us off the Club List so you must have been on your best behaviour – thanks to everyone.

This week is Buddy week. Buddies are important in all areas of our life. A Buddy is someone who is a good friend, colleague or companion. Who doesn't need more of them!! Many of us joined Rotary to expand our networks and create new friendships beyond our work environments. The Buddy system was implemented in our Club many years ago to encourage people to get to know those members that you may not usually sit with and also have someone that can support you and keep you informed if you miss a few meetings. In other words, keep you in the loop. It also legitimised you ringing up an almost stranger and asking them to meet up for a coffee or drink with the aim of just getting to know one another as fellow Rotarians. It gives you someone to ask any questions you may have about Rotary. When new to the Rotary world it can sometimes seem like secret squirrel business but having someone to explain the background or work with you to find out the answer to your questions makes it much more fun. Enjoy our Buddy breakfast. I am sure our meeting will be filled with extra fun and laughter as we get to know one another better.

Remember to check the contact list and know who your Buddy is so you can sit with them otherwise the Sergeants session will be more successful than usual.

UPDATE - AYAN

Dr Edna is an inspirational and very proud Somalilander who alerted the world to Ayan's need for facial surgery. She never gave up! Thanks to some magnificent support, Dr Edna, Ayan and the Rotary Project team here in Brisbane are now eagerly awaiting Visa approvals. Please take a moment to look at the email below from Edna. We now have an opportunity to assist her and her hospital. The hospital is in an international competition to win a new Ranger ambulance. They are currently running second. All they need to get across the line is to get votes from friends and/or supporters across the world. It's easy! Send the details to friends, family members, fellow Rotarians and your Facebook friends. Let's get behind this challenge! *Noela Phillips*

Greetings from Hargeisa, On the occasion of the 50th Anniversary of the company, the Ford Ranger company is offering an ambulance to the project with the most votes. Since we are desperate to have a replacement for our old ambulance, which is slowly dying of old age, we completed the application requirements and got admitted to the draw. Go to: http://www.facebook.com/KjaerKjaer/app_455188447836364

When you click on the link above, you will see tire marks on white sand. If you scroll down, you will see a series of pictures and ours is the second picture and shows the picture of the white building of our hospital. We need all our friends with Facebook, and their friends to please vote for us. We have to the end of September! Thanks and regards. *Edna Adan Ismail*

Annual Streetlevel Salvos Fraser Island fishing trip was a great success again this year. 8 participants ventured over the sand in 4WD vehicles along with our new trailer. We caught more fish than any other year. Our equipment was much improved and the weather was spectacular. Thanks to High-Rise for your support with the construction of the trailer and for support funding for our participants. Bryce
