ANGELA'S ANGLE

Our Rotary Christmas Dinner was a great success. The early evening rain cooled the air and we were all able to sit outside and enjoy a great night catching up, eating lovely food and drinking wine. Thank you Barbara, for organising and especially for attending after your tango with the roller door. After seeing Barbara, who wears bruises and gashes better than anyone else I know, I am very concerned for the roller door!!!

This will be my last Angela's Angle for this calendar year which means I must be half way through my term as President!!! I know Wendy is starting to get things sorted for next year and all will be revealed at our AGM on 20 December. I am unable to attend as I will be on the road to Canberra – locked in a car with an 11 year old (are we there yet!!!) and an iPad playing Christmas carols for 14 hours!!!!!! Santa will definitely know we have hit town.

This week the focus for our meeting is very much the Spirit of Christmas. Christmas can be such a joyous time catching up with family and friends but if you are down on your luck or health it can be a particularly lonely and sad time. I am pleased that as a Club we are finding ways to help Bryce bring some cheer into people's lives at this special time of the year. Come along with the best Christmas Spirit, that you can muster at 7.00am without alcohol, to enjoy a fun meeting. There will be carols (I need the practice) and also an opportunity to do some jewellery shopping for those last minute gifts for that someone special!!!

Can I also take this opportunity to thank everyone for their support and wish you and your family a safe and merry holiday season. See you at Planetarium on 10 January 2013.
