ANGELA'S ANGLE

Happy New Year and Welcome Back. I hope everyone had a relaxing break and are ready to get into the year. This year sees our Club turn 20!!! It is also the year that Ayan will get her operation and hopefully we will get a matching grant from Rotary International for the Mamba Primary School. It promises to be a year when a lot of our hard work from previous years comes to fruition.

Last week a few of us braved the drive out to the Botanical Gardens and met with the Planetarium Club. It was a fun morning with a lot of frivolity. While we were few in number we did have quality and Lindsay ran the sergeant's session for them. I doubt we got any money, but they did well!!! We also made sure they knew about our Waitangi Day lunch and it looks like they will take a table plus provide some goodies for the raffle. So it was a very worthwhile visit. Both Clubs commented on how good it was to start the year off together.

We have two major tasks for everyone to do

1. Sell seats for the Waitangi Day Lunch
2. Seek sponsorship for the Rotary Art Spectacular (it will be here before you know it).

If you can focus on both of these activities and get some results the year will be off to an amazing start and we will be able to make major changes in our community. We want 2013 to be a year to remember for all the right reasons.
