WENDY'S WISDOM

English is constantly changing and neologisms (newly coined words) are coming into existence daily. Tonight I'm studying ---love it!!!!

This week I have to present to eleven people who are experts in the development of on-line games and related merchandise. I am definitely not any type of an expert in this field but as is often heard – I had a dream – one that this group now wants to hear about. So I'm cramming, getting ready to garnish words that can stand me in good stead – for one day.

I'm OK with them recognizing me as a newbie (new at the game) but really don't want them left with the feeling that I'm a noob (inept beginner) and I certainly don't want to be ganked (slaughtered by the other players). I want the end product to be a series of games where the healers (leaders) buff (work in positive strength) and I want there to be some buffbots (characters created to support other characters).

If all goes well I hope to get at least one woot (expression of joy) and hope that it doesn't go so poorly that I bio (need to leave the game to go to the toilet).

Anyway G2G (got to go) this week TANSTAAFL is definitely true for me (There's no such thing as a free lunch). Fear is quite a motivating factor, I'm OAR (on a roll).

It will be over by Wednesday night and I have a vision of flying home from Melbourne in a zombie like state. Doubt that even the State of Origin will capture my mind and I'll be on the plane anyway. When I see you on Thursday PBG (I made this one up – please be gentle) the old mind is quite cooked.

AYAN PROJECT UPDATE

Dear All, Close friends have been keen to know if progress has been made on Ayan and Edna's second visa application. You may also be wondering too. In terms of actual lodgement, we are still awaiting this critical step. However, there has been a stream of emails flowing between Edna in Somaliland and Megan (Minter Ellison) here in Brisbane. Our focus is on providing in minute detail, the additional documents required by the Department of Immigration. We have to get this "right", as there is no point in forwarding a second application unless we have identified documentation included. That would set us up for failure for Ayan and as previously stated, that is not an option. The process has required immense patience, diligence and resilience from both Edna and Megan. In Edna's recent correspondence, she stated that:

"This (Ayan) has been weighing upon me for the past twelve years!! I travel a lot, and very busy when not, and this has also added to our problems as a country that is not internationally recognised and where the documents that are requested cannot be procured. Ayan is traveling one more time back to Hargeisa from Burao tonight (10 hours drive each way to Hargeisa). She will then sign the new application forms".

This travel must be arduous for Ayan. On how many previous occasions has Ayan travelled 10 hours each way to Heigeisa as well as similar trips to Ethiopia for X-rays and Medicals?? Let's be optimistic about a positive outcome for her upcoming Visa application. Edna has forwarded by courier what we are hoping is the final documentation required by the Department. It is now approx. 17 months since the Rotary Clubs of Brisbane High-Rise and Mitchelton committed to helping Ayan. Our team's resolve to assist Ayan has not wavered.

Many thanks for taking the time to read this email. Please "hang in" with us as we seek to achieve our goal for Ayan!! As I indicated in previous emails, we may require your advocacy on behalf of Ayan when the applications are lodged in Nairobi - a date not too far away we hope!! I will let you know as soon as any headway is made. *Noela Phillips*

July 2013

Rotary International

Perhaps this new Rotary year is an opportunity to thank the Clubs that accept the fact they have been on roster to help pack two DIK containers. The roster gives reasonable notice and most Clubs are able to accept the date offered. The packing starts at 8.00 am and is generally over by 10.00 am, in time for coffee and 'Parish News'. Without being nominated a 'loadmaster' always comes to the fore for each container either inside doing the work or outside calling for the next pallet. It's has become a good hands-on project for the Clubs, thanks for your support.

KITS FOR KIDS

We talk a lot about Kits For Kids and loosely say it's 'Classroom Stationery'. Yes, that's all it is, pens, pencils, sharpeners, erasers, scissors, exercise books, A4 sheets.

They can be 'second hand' items collected when a school term closes, when clearing a busy desk of items no longer being used. It can be surplus stationery, staplers and files from 'the office'.

They can be new items purchased from a donation where all the above are packed into A4 paper boxes.

What a great project for your club! It's surprising what \$50 can do.

DIK STORE ROSTER TO DEC 2013

Clubs from District 9600 on roster for duty to help pack containers are as follows,:

6 July	Kenmore	Albany Creek
3 Aug	Brisbane Planet.	Karana Downs
7 Sept	Ashgrove The Gap	Mitchelton
5 Oct	Brisbane Mid City	Hamilton
2 Nov	Redcliffe City	Samford Valley
7 Dec	Aspley	Windsor

Two Clubs from District 9630 also attend; these will be notified closer to the date.

(We can always find room for casuals)
