Children in Australia and New Zealand have been polio free for more than fifty years. However, the next case of this crippling disease is only a plane fare away. In 1985 there were 350,000 cases of poliomyelitis in more than 100 countries worldwide. Today there are less than 1,500 cases annually concentrated in four endemic countries – India, Pakistan, Afganistan and Nigeria. The children of our world will never be safe until polio is eliminated forever. Help Rotary International and its campaign partners finish this vital challenge.

DONATE NOW TO END POLIO.

SHELTER BOX IN THE PHILIPPINES

Together we can continue to make the world a better place in 2012! Let me tell you how ShelterBox has teamed with Rotarians in Mindanao over the Festive Season – when most of us have taken a well needed break – to bring shelter and hope to many affected by the flooding there. RI Governor George Hayoy of D 3870 in southern Philippines emailed me on 17 December asking for ShelterBox help. He wrote: “Early this morning (December 17) Iligan City and Cagayan de Oro City were hit by floods due to typhoon ‘Sendong’. Flash flooding has occurred and lots of families have lost their homes. We would like to avail of these shelter boxes which we feel most needed because the evacuation centers are full and unhealthy for lack of facilities.” I am proud to say that ShelterBox has now provided more than \$500,000 worth of tents and associated gear to help rehouse many of those left homeless. Philippines ShelterBox Chairman Jess and other Rotarian leaders from outside the affected region have travelled to the area and worked with DG George and Rotarians there to rapidly deploy assistance. This is an heroic effort and undertaken in a region where it is hard to guarantee personal safety. The photos and stories below give a more graphic account of our impact. My task is now to rally support to help restock our famous Green Boxes in readiness for the next unforeseen event. Australian Rotarians and clubs have remained generous supporters and I ask for your help in keeping the SHELTERBOX name high on their agenda. The reason why we can respond so quickly lies in our system of maintaining stocks at a high level and placed strategically around the world. International and local transport companies are also magnificent supporters who enable us to move boxes to the disaster regions. Of course, this is just one of the many ways in which our two countries have worked together to assist many needy Filipino communities, bringing tangible results and building much goodwill.

John Lawrence, Past Rotary International Director
