By the time the world is certified polio-free, Rotary's contributions to the global polio eradication effort will exceed \$1.2 billion. This contribution constitutes nearly 14% of all contributions to the global budget through 2010 and represents approximately 66% of private sector contributions to the initiative.

As long as polio threatens even one child anywhere in the world, children everywhere remain at risk. The stakes are that high.

**Malaria Awareness Day
25 APRIL 2012**

*From the RAM Newsletter, Vol 2 No 5
produced by PDG Ian Sayers, Chairman
RAM Committee (Australia).*

The World Health Organisation has declared
25 April as World Malaria Day. In deference to the
significance of 25 April in Australia, the National
Rotarians Against Malaria Committee decided to
recognise World Malaria Day on 30 April.

We call it "Malaria Awareness Day".

Rotary Clubs should start to think about what
they might do at that time to recognise the date;
invite someone to speak on malaria, get an item
in your local newspaper – highlight any donation
you may have made to, for example, the Adopt A
Village program.
