By the time the world is certified polio-free, Rotary's contributions to the global polio eradication effort will exceed \$1.2 billion. This contribution constitutes nearly 14% of all contributions to the global budget through 2010 and represents approximately 66% of private sector contributions to the initiative.

As long as polio threatens even one child anywhere in the world, children everywhere remain at risk. The stakes are that high.

**Malaria Awareness Day  
25 APRIL 2012**

*From the RAM Newsletter, Vol 2 No 5  
produced by PDG Ian Sayers, Chairman  
RAM Committee (Australia).*

The World Health Organisation has declared  
25 April as World Malaria Day. In deference to the  
significance of 25 April in Australia, the National  
Rotarians Against Malaria Committee decided to  
recognise World Malaria Day on 30 April.

**We call it "Malaria Awareness Day".**

Rotary Clubs should start to think about what  
they might do at that time to recognise the date;  
invite someone to speak on malaria, get an item  
in your local newspaper – highlight any donation  
you may have made to, for example, the Adopt A  
Village program.

**SUNSHINE COAST/NORTH  
BRISBANE BOWELSCAN  
PROGRAM 2012**

**A project of Rotary District 9600**  
The program needs more support from Clubs in  
the North Brisbane part of District 9600  
Rotarians around Australia, ranging from  
Tasmania to Western Australia, and north to  
Townsville and next year Darwin, have for over  
twenty years taken action to raise awareness  
about bowel cancer in the community. 2011 was  
the seventh year the program has operated within  
District 9600.  
Clubs interested in participating in the program in  
2012 should contact:

The District Coordinator, Peter Fisk, on:
