District 9600
Serving the Heart of Brisbane
20 September 2012

ANGELA'S ANGLE

A great night was had by all on Sunday night at Jersey Boys, for those that are going later in the season I can definitely recommend it. You leave feeling great and humming the songs. Thanks to Phil for organising our theatre projects not only do they provide opportunities for good fellowship they also raise funds for the Club. Thanks Phil.

We had a Board meeting on Monday night where key areas of discussion were:

- The success of the Golf Day – thanks to Bill and Noela for organising and to those that volunteered on the day (Denise, Yvonne, Chantelle, Lindsay and Ken)
- Fundraising work still to be done to support Aayan's travel and medical treatment.
- The Waitangi Lunch which is a fundraiser to support young people through the Boystown organisation. Make sure you save the date – 6 February 2013 and start thinking about who else you can invite. This is a great opportunity for Rotary High Rise to raise substantial funds and build awareness of the great work Rotary does in our community.
- Finalising the Trifecta project, which will benefit the Mamba school in Tanzania. Make sure you get into the spirit of the project and sell as many tickets as possible. The money raised will definitely make a huge difference to the students in Tanzania.
- Application for the Matching Rotary International grant re the Mamba school – finalising our next submission for the next stage.
- We also did a little bit of checking and supporting of the Melbourne Cup breakfast – I won't say too much except make sure you keep that Thursday morning free (1 November) you will not want to miss it and start planning your outfit (and hat of course) NOW!!! This may also be a great breakfast to invite friends and colleagues to. It will definitely shatter people's perceptions that Rotary is a traditional, stuffy organisation!!!

POLIO PLUS UPDATE - Pakistan scoring great gains despite challenges

"Pakistan this year has perhaps the best chance ever to achieve success, because tremendous new efforts are being undertaken, led by the government, in implementing a national polio emergency action plan that mobilized all government and civil society resources," says Robert S. Scott, chair of Rotary's International PolioPlus Committee, about progress in Pakistan. "There is strong evidence that implementation of the emergency plan is showing results, particularly in key reservoir areas such as Balochistan and Sindh."

CONTRATULATIONS to 'Our' Karen. The official graduation pics. Karen will join us at brekkie in a couple of weeks, and bring the funny hat !!

100th DIK Container to the Solomon's -

Beds received by the School of Nursing and Health Studies in Honiara. RC Honiara received the 100th DIK container from the Brisbane DIK store last month. This was an important milestone as 100 shipping containers each equate to at least 10 tonnes which amounts to in excess of 1,000 tonnes of donated Health and Education goods. A BIG Thank you to Brisbane DIK Store for all your hard work and support.

Alexandra – back from the Olympics and nursing a sprained ankle while in Transylvania...How that happened we will leave to Alexandra to answer!!!

Members,

I had an amazing time working for the Olympics. I mostly worked at both volleyball venues, Horse Guards Parade for beach volleyball and Earls Court for indoor volleyball. I was fortunate enough to watch parts of the finals for these events plus the opening ceremony, some athletics, swimming, gymnastics, basketball, judo, boxing and the closing ceremony. I really cannot complain. The best moment was when I was able to watch Romania win gold in women's vault in gymnastics. I have never watched a Victory Ceremony in which I knew the national anthem live. I have all kinds of other stories that's for sure but I will share them when I come back to our meeting.

Call for Applications - District 9600 Rotary Team Members Vocational Training Team (VTT) - Holland March/April 2013

Applications are invited from up and coming professionals engaged or involved with issues regarding Drugs and Alcohol to be part of a VTT team of 5 participants to travel to District 1600 in Holland. The exchange will be for a period of 4 weeks from March 25th 2013 until April 25th 2013. This VTT exchange will focus on skill enhancement through observation in Drug and Alcohol programs and issues such as research, treatment, nursing, counselling, law enforcement, drafting and implementation of laws, and present and future solutions. The Team Leader and team members will be expected to attend the District 1600 Annual Conference and undertake a short presentation. There will also be an opportunity to present to attendees at our District Conference on the 24th March 2013.

Eligibility and Requirements - Ideally the applicant will be currently involved in one of the aspects of alcohol and drug abuse as mentioned previously. As a guide the age group range of team members is anticipated to be between 24-40 years. Check website

What you need to do to apply for the position of Team Member - We require an application in writing from you by no later than **Wednesday 17th October 2012**

What costs are involved? check out website

Who is eligible to apply? - We are seeking applicants currently engaged in any profession associated with Alcohol and Drug abuse who are keen to advance their knowledge and experience.

Training of Team Members - The successful applicants will receive some training.

Where to send your application - brianjkennedy@yahoo.com - 3889 8000 or 0408 881 002.

General Information:

District 1600 is in the south west of Holland in the general area known as The Hague. The weather in April is cold in comparison to Brisbane being between 4 - 13 degrees Celsius. April is normally the driest month of the year. Our hosts are very excited about this exchange and are eagerly looking forward to making this exchange a success for all participants.

Rotarian families will home host team members during their time in Holland.

A detailed and extensive program will be given to participants prior to departure. This information is designed to expose the team members to a unique approach to the administration and legislative handling of drugs and alcohol usage. Interviews will be conducted by the Selection Committee on Saturday 20th October 2013 and all applicants are expected to attend in person.

AYAN'S UPDATE - Well done to all players, sponsors, prize donors and volunteers who made our **Golf Day** an outstanding success!! \$6,800 was raised to be shared between Ayan's Project and SIDS for Kids. This was a marvelous outcome, due to great teamwork, Rotary Members' generosity of spirit and kind hearts in the wider business community; not to forget the contributions made by the players on the day. The Keperra Golf Club was a perfect venue. With its glorious bushland setting, streams meandering through and a touch of rainforest, it made for a very pleasant day. Congratulations to Ros for accepting the Captain's role for the day! She had to keep Vic and Rod in check for approximately 4 hours.....now that's a tough task Ros! A special thanks to Chantelle who travelled by train, donkey and cart (only joking!) to arrive at Keperra Club as a volunteer. A stirring effort Chantelle! And thanks to Lindsay for your raffle selling skills and Ken White who displayed his skills in the sausage cooking department. To Yvonne and Denise who both stayed the distance, many thanks. Denise was almost red-carded off the course for being noisy, but in her role as guardian of the boat on the lake, she was able to eventually adhere to the golfing etiquette of silence.

It is looking more likely that Ayan's surgery will be undertaken early 2013. The Medical Visa process is quite complex and protracted. Medicals need to be undertaken and slotted into Dr Edna's busy schedule. I am pleased to let you know that Edna's Hospital is now leading the votes to win the Ranger Ambulance!! If you know any Facebook users, please ask them to vote using the address below. Voting closes end September – can you spare a moment of your time to spread the word for Edna? Again, grateful thanks to each one of you for your superb support in our fundraising efforts...your ongoing assistance makes my role a joy and a privilege.

CALL TO ACTION Colin Beckett

Colin Beckett is seeking donations to support Julia Semese a Grade 11 student at Peter Claver High School in Maokeng (the black township adjacent to Kroonstad) who needs an electric wheelchair. At the age of ten, Julia underwent a surgical procedure that left her without the permanent use of her legs. Julia currently relies on an ordinary wheelchair which severely limits her independence.

The school has approached the Rotary Club where Colin is President to help with the procurement of a motorised wheelchair for Julia – the cost will be in the region of R20,000.00 (approx AU\$2,350). Over the last few months his Rotary club has nurtured the development of an Interact club at the Peter Claver High School. With the encouragement of the school principal (Ms Zunelle Du Ru) this fledgling Interact club has begun fundraising for this project with the aim of realising R1,000.00. If you would like to help may a difference to this young woman's life please contact Colin directly at:

colin.beckett@quadrantaustralia.com
