ANGELA'S ANGLE

Last week we had a great meeting sitting in our committee groups discussing plans for the next year. It was a great way to catch up with other members, get an overview of what we are planning for the year and getting involved to make it happen. We got an update on the project to support Aayan which is gaining momentum fast with the golf day planned for Friday 14 September and donations flowing in from Rotarians and other people keen to support Aayan to get the treatment she needs. Deb, our Treasurer has set up our accounts so we can easily track our progress in raising the \$10,000 as well as ensuring any donations are definitely earmarked for that purpose. Make sure you get 14 September in your diary and invite all your business associates and friends along. We want to make it a great day in support of Aayan.

Jennifer also gave us an update on our grant application for the school in Tanzania, where through Rotary International we have the chance to transform our \$10,000 club donation into \$35,000. Just imagine what \$35,000 could do for the Mamba primary school, it would totally change their lives. We are through the first stage and awaiting news of our next steps, there are many hoops to jump through but we are well prepared and have support at District level so we are in with a fighting chance.

The Art Show is in full swing with Bill Phillips, Chair, Barbara Leddy, Secretary, and Wendy Protheroe and members of the Art Show Committee. The club is in the driving seat this year and we are keen to make it more successful than the last time we were in charge (which is the benchmark). The critical element for success is gaining sponsorship, so if you have any ideas for likely sponsors for the show please let Bill know.

Catch up on your sleep this week for the Olympics start on 28 July. Don't forget to keep your eyes peeled for Alex, who is working at the Olympics.

Celebrate Interact's 50th birthday

This Rotary year, RI celebrates the 50th anniversary of the first Interact club charter. [Presidential Citations](#) for Interact and Interact Certificates of Organization will feature a special 50th anniversary logo. ([Download the logo here.](#)) Interact clubs and districts can join the celebration with activities like these:

- During World Interact Week (5-11 November), organize club projects that involve 50 positive actions in one of Rotary's areas of focus, like donating 50 books to support literacy initiatives or holding a forum with 50 youths about a community challenge, such as economic development.
- Challenge each Interactor to raise US\$50 for polio eradication through community fundraising.
- Interview past Interact participants in your area to learn how Interact can fuel a lifetime of service.

Are you baking an Interact birthday cake? Recognizing former Interactors who have become leaders in your community? Show us how your school, Interact club, or district is celebrating Interact's 50th anniversary by sharing photos and stories on the [Interact Facebook page](#).
