

## HOT AIR

District 9600  
Serving the Heart of Brisbane  
30 August 2012

### ANGELA'S ANGLE

In Rotary terms our Club is relatively new in age and certainly is youthful in outlook. Despite our youthful approach, we seem to be creating a tradition. Every year the District Governor (DG) attends at least one meeting of every club across the Rotary District. It is an opportunity to hear and learn about what is happening in Rotary across the District. Each Club is advised of the date of the visit many months in advance and there is an expectation that the President will be in attendance. Last year when the DG – Caroline Kruger, visited our Club, Bill Phillips was missing in action and he left me holding the baby, so to speak. This year the DG – Dai Mason, is visiting our club on 6 September and you guessed it, I am in Perth chairing a conference. The beginning of a tradition!!! So I thought what better way to pay back Bill!!! Bill has very graciously accepted my offer to chair the Board meeting prior to the club meeting with Dai, as well as the usual meeting. I am sure it will cost me dearly in the Sergeants session!!! I can hardly wait to hear what happens next year – will Wendy continue the tradition or break free and make sure she is there. Who thought a DG visit could be so exciting!!!

All of us lead very busy lives and we make room for Rotary wherever we can. The strength of our Club is that it is filled with capable willing people who can step in to many roles and help out when needed. Thanks Bill for your ongoing support and I know the rest of you will be on your very best behaviour!!!!

### ROTARY GRACE

*O Lord and giver of all good, we thank you for our daily food. May Rotary friends and Rotary ways help us to serve you all our days.*

### Greetings to all friends and supporters of Ayaan.

Several people have asked for news of Ayaan, particularly when she is likely to be coming to Australia. At the moment, project manager Noela Phillips is working hard with Robert Reed and Megan Arends from law firm Minter Ellison, to progress the application for her medical visa. This process always takes some time, and thanks to all for assistance "behind-the-scenes".

### UPDATE John Avier

There is still a chance Ayaan might get to Australia before the end of the year, although early in 2013 is probably more likely. Thanks again to all who have shown interest and offered support.
