ANGELA'S ANGLE

What a long weekend!! We won't forget Australia Day 2013 in a hurry. I trust that you and your loved ones have all got through this amazing weather event dry and safe. Who would have thought that the events of 2011 would occur again so soon. I have to say, that we as a community, are getting very good at responding to these extraordinary weather events and learning to live without power! I feel for those people who have just finalised fixing their homes from the last event only to have it flood again.

I can't believe that last week we were raising money for bushfires and now this week it is flooding. Over the coming week we will investigate ways for our Club to help those in need. If you are aware of any particular cases or organisations in need of help please let me know.
