Fellow Rotarians

We are now on the countdown to changeover on Friday 2nd of July. That means there are just 7 meetings left after today.

There is still a bit left to do in that time including a Club Assembly and a combined Club meeting of Stones Corner and Hamilton which we will be hosting and during which we will distribute the cheques to the participating clubs and to the beneficiaries of the Art Show.

We will be finalizing dates over this coming weekend as there is a bit of coordinating to do but both events will need to be in June.

This morning we will be inducting Heather Mabin as the World's Newest Rotarian. This makes seven for the year with number eight just down the road. If you know of anyone interested in Rotary or who you think would be an asset to our club please bring them along for breakfast and or talk to Bill Phillips. There are lots of potential members out there. Why should we have all the fun? As a club we must continue to increase and recruit members or run the risk of becoming irrelevant.

The next Board meeting is scheduled for Monday the 17th of May and the final for the year is scheduled for Monday 21st June. Just a reminder that these two final Board meetings are combined meetings of both the current and the new Directors. Would all Directors please mark your diaries, Blackberries etc.

As I mentioned last week in terms of our accommodation I have been advised that the Polo Club have moved their members breakfast location back down stairs again on Thursday morning and at this stage we have not been advised of any other moves. The delay has allowed us to seek quotes from local hotels and the Brisbane Club and we are also looking at the Combined Services Club on Wickham Terrace but pending any further advice from the Polo Club it would appear as though the status quo will be maintained.

Yours in Rotary - President Vic

MANNA FROM INDIA – Jenny Horton - Polio Eradication Trail

I am now back in Delhi and about to head to Punjab State to Chandigarh and Ludhiana, where I will stay for the next month to assist with technical support to the program in relation to moving populations. This group is not being reached as much as those in permanent residence and due to many factors are more likely to spread virus. So the challenge is always there to win this war on the polio virus. We have learned that the virus is smart and can find any gaps that are left, so it is a continual effort to close doors that may be ajar.

JESUS CHRIST Superstar - The Rock Opera – Fri 27 Aug 2010

By Andrew Lloyd Webber and Tim Rice At the Playhouse - \$50ea
 Large cast in colourful costumes recall in song the last few days of Jesus' life. Judas: "Jesus Christ superstar, how do we know you're who you say you are?". Mary Magdelene: "I don't know how to love him - he moves me so". No sermonising - just the unfolding tragedy. Only the 1970's could produce such a wonder.
