ANGELA'S ANGLE

What a great week. It started with Carmen and thanks to Phil for organising yet another great night. The seats were perfect. Phil is such an asset to our Club. When other Presidents ask me what is the secret to High Rise's energy and success. I tell them it is the amazing members we have. A Club is only as good as the members and in High Rise we are very fortunate to have many amazing and interesting people as members who don't take themselves too seriously.

On Saturday afternoon the very able women of High Rise – Susan Rix, Barbara Leddy and Deb Le Garde organised the best High Tea in town in support of the Wesley Breast Clinic and raised over \$29k. It was a great fun afternoon and if they hold another one I think we just automatically take 3 tables as it was fantastic and could only be improved upon if there was a "naughty boys table"!!! Barbara Leddy MC'ed the event and did a wonderful job, the perfect balance between serious and humour. She did a brilliant job of promoting Rotary High Rise Club and could easily get a job in Marketing and Communications. We are very lucky to have her in our Club. Unfortunately none of us won the diamond pendant or any of the other raffle prizes, yet we still all had a great time. Looking forward to the next one.

Planning is well under way for two big events in early 2013 – the Waitangi Day on 6 February and the Rotary Art Spectacular on 11 April. Make sure you get all the cricket tragics (me included) in your life to put 6 February in their diary NOW. We also need to start getting sponsorship for the Art Show NOW. If you have some ideas of people we can approach to sponsor a prize or panel please contact Neil Bray or Gary Marshall as they are co-ordinating sponsorship for next year. It would be great to get some sponsorship locked away before the silly season takes its grip on the corporate world.

NOTICEBOARD + CALLS TO ACTION FOR HIGH-RISERS

**Trifecta Project Results
3 – 11 – 14**

In what has become a feature in our annual calendar of events the Melbourne Cup Trifecta is again done and dusted. As with the last couple of years we committed to take two sets of tickets meaning that the total net funds raised was in excess of \$5,000. The excess goes to Club general revenue while \$5,000 goes towards the Mamba Primary School rebuild project in Tanzania.

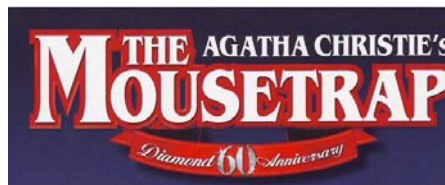

The winning numbers were 3, 11 and 14. The \$1,000 prize for the blue tickets has been claimed. The winner has kindly donated half the prize back to the Mamba project. We are still waiting on the green ticket prize to be claimed.

This year the Club support for the project has been exceptional; maybe this has something to do with the efforts of Margot and Yvonne who both did much to distribute a sizeable proportion of the tickets. A very big thank you to both and also for the broad support for the project from across our Club.
