Ayan's Visa application APPROVED!!!

What a magnificent start to the New Year!! Minter Ellison, Immigration Lawyers, have just shared this news with us and we are elated. We are still awaiting Edna's Visa approval, but hopefully this will shortly follow. There are certain requirements yet to be met, however, these appear to be standard procedures and will be addressed in conjunction with Minter Ellison.

This is a wonderful start to the New Year. I can't imagine how excited Ayan will feel when Edna passes on the news to her. Our grateful appreciation once again to each of you for your individual contributions in support of Ayan and Edna.

There will be a significant amount of planning ahead and I know many of you will become personally involved now that Ayan can access the Wesley Hospital for her facial reconstruction surgery. Let's celebrate for Ayan and at the same time acknowledge the efforts of Edna for never giving up on finding a country willing to help Ayan.

We wish each of you a Happy New Year - let's hope it's a year of good health, happy memories and time spent with those we love. Be in touch with further updates!!
