Reach Within to Embrace Humanity

MESSAGE FROM OUR PRESIDENT – Bill's Blurb...

Every word you write is all about you! I am not sure where I sourced that comment but it did appeal to me and guides much of my written communications. Equally it applies I suppose to the stated word. In this world of fast changing communications I often wonder whether "rules" like this continue to apply. I am one for English as it was meant to be written and spoken. You can imagine therefore my dislike for the texting language that has rapidly evolved in recent times. This is now drifting into other forms of communications challenging much of what I believe is right and correct. Oh well maybe the opening comment still applies and indicates my capacity (or lack thereof) to evolve and change with the times.

Speaking of change the important matter of Honorary Memberships was discussed and reviewed at our most recent Board meeting. For some time Campbell Newman and Bob Atkinson have been Honorary Members. Campbell for a number of years and while we are not exactly sure of the original motivation in inviting him into our Club it was most likely to do with his role as our then Lord Mayor. (I am not the brightest but I worked that one out by myself) Campbell is no longer in that role of course. For this reason, plus a review of what our constitution has to say about Honorary Membership, we have decided not to renew Campbell's membership. With regards to Bob Atkinson we are delighted to continue with his Honorary Membership given his continuation in his current role. Bob has always expressed a willingness to assist our Club in ways and means appropriate. We have however agreed that Honorary Memberships should not be indefinite and that an initial tenure of three years should apply with annual review from that time onwards at the discretion of the Board. Following this discussion it was then proposed that we invite The Honourable Justice Martin Daubney to become an Honorary Member of our Club. After a distinguished legal career Justice Daubney was appointed a judge in the Supreme Court of Queensland in 2007 and continues in that role. He has visited our Club previously and has a long association with Rotary being a past Exchange Student and past Rotarian. Justice Daubney will continue the tradition of outstanding public figures as Honorary Members of our Club.

Upon acceptance of our invitation we will ask Justice Daubney to come along to a meeting for the presentation of his Honorary Membership. I hadn't thought much about the role of Honorary Membership until these recent discussions. We don't want too many but a Club of our size can support two or three quite comfortably. I particularly like the idea of the incumbent Lord Mayor being one. It sits well with the nature of our Club more so than most others. It does Rotary no harm to be able to point to such high profile people on our membership list. And by accepting the invitation to be an Honorary Member these people acknowledge the importance of Rotary in our communities.

Hi it's Josie again

I just wanted to **THANK** everyone who has donated to the **Josie Beans and the Juvenile Diabetes Walk to Cure Diabetes**. I am **TOP** of the fundraising for the Brisbane walk at Chermside - well for today anyway. I still have about \$360 from a Silly Sock Day at my school to bank when Mum gets the cheque from the school, and we banked about \$300 in cash donations last week which hasn't yet shown up on my personal fundraising page. In the school holidays I spoke at a Rotary breakfast meeting at the Polo Club in the city. I was invited by a very special friend's parents to speak. The lovely people at Rotary have also donated over \$300.

That means my **GRAND TOTAL** is now almost \$3000.

There is still 3 weeks to go and then about a month after the walk for me to continue fundraising

OCTOBER - VOCATIONAL SERVICE MONTH - WORLD POLIO DAY - 24 OCTOBER

Alumni. Former Ambassadorial Scholar Alex Buchanan says that knowing he has helped nourish millions of children in de-veloping countries gives him —a pretty good feeling. A food technologist and member of the Rotary Club of Melbourne, Australia, the 75-year-old Buchanan created the high-protein Australian milk biscuit and the high-energy biscuit, which are staples of his country's international food aid. For this and many other accomplishments, The Rotary Foundation presented Buchanan with the Global Alumni Service to Humanity Award.

Polio - Some Rotarians have had the privilege of working with polio survivors to support PolioPlus, and what an inspiration those survivors can be! Clearly, no one understands the need to eradicate polio better than those who struggled with the dis-ease. They challenge us to achieve that final 1% and complete this eradication goal, this task of epic proportions. The final stages of eradication will be difficult and when considering a worldwide challenge, the numbers can sometimes be over-whelming. Perhaps it would help to think of it this way: Because you and I prevented polio, somewhere in the world a healthy child is happily playing in the sun. On behalf of all those children, thank you! *Rotarian Terry Toone*

Every Rotarian, Every Year - Our world is filled with conflict and strife, but I believe that fundamentally, people are more alike than they are different. I believe the underlying causes of most of the conflict and strife are poverty, disease, hunger, and illiteracy. The work of The Rotary Foundation addresses all of these critical needs. My annual gifts to The Rotary Foundation enable me to do my small part, and these gifts are magnified by being added to The Rotary Foundation's resources to bring meaningful help to people in need. *Past District Governor Tere Bergman*

ALBERT PARK FLEXISCHOOL - AND VISIBLE INK

This inclusive learning community provides an alternative form of senior school education. It's flexi, it's funky, it's helping young people become active citizens and fulfill their hopes and dreams, it's Visible Ink Albert Park - the Flexi School Community.

Phone: 3403 1976 **Fax:** 3403 1975

Who attends Albert Park Flexi-School Community and what do they get up to?

Flexi School is attended by 60+ young people. They are all different shapes and sizes, and get to go after learning opportunities that suit them, within a safe and supportive environment.

How are the days planned?

There is a general timetable that the school community follows on a daily and weekly basis. The day starts at 9:30am and generally finishes at 2:30pm. Sometimes excursions and projects may be held outside these times. Each day begins with Check-In (half hour) and ends with Check-Out (15 mins).

Responsibilities

At flexi school we expect that you will:

- keep Albert Park Flexi School Community activities Drug and Alcohol Free
- Seriously consider all of the possibilities and opportunities that come your way while you are a member at Albert Park Flexi School
- Talk about things; don't let fear get in the way of you doing the things you want
- Be clear and present when you come to school
- Live up to the commitments you made in your learning plan and talk to us if you need to change them
- Remember the 4 R's - Rights, Respect, Responsibilities and Relationships
