ROTARY GRACE

*O Lord and giver of all good, we thank you for our
 daily food.*

*May Rotary friends and Rotary ways help us to serve
 you all our days.*

INTERNATIONAL TOAST

The word tsunami is a Japanese word that literally translates to
 "harbour wave". In June 1896, nearly 22,000 Japanese lost their
 lives due to a devastating tsunami generated by an earthquake
 off the coast of Sanriku (200km north of Sendai). The tsunami
 attained a height of 25 meters (80 feet), and was observed
 across the Pacific. In Hawaii, wharves were demolished and
 several houses were swept away.

Given the widespread devastation and anguish once again
 caused in this region of Japan by a tsunami on March 11, the
 international toast is to the Rotarians and their families in the
 Rotary District of **Fukushima, District 2530.**
