FELLOW ROTARIANS

On Monday we had the penultimate Board meeting for the year and it was heartening to discover that things are happening and we are achieving. I use the word *discover* because sometimes it's difficult to really identify the very worthwhile things we are accomplishing in the community and beyond.

Plans for the Greyman luncheon are moving apace and we are close to nailing down a date. Trying to get State Local and Federal Politicians tied down is a little akin to herding cats. In fairness to them of course much depends on when the various legislatures are sitting and therefore when they will be available...but it's all very close.

We have made our contribution to assist Victoria O'R, our successful VTT (another new acronym I can't yet translate) nominee. She will be off to the USA early in the New Year.

The Melbourne Cup Trifecta sweepstakes were an outstanding success and I want to extend my personal thanks to you all for the great job you did selling them (or as I know many of you did - buying most of them. I have a drawer full of losing tickets). President Elect Bill P will be in Tanzania early in 2010 and plans to oversee at least the beginnings of the renovations to the classroom block.

Back in September we received a letter of thanks from Bric Housing (Boundary Street Boarding House) for our contribution towards a refurbishment of their level two courtyard garden - this was in fact largely the work of Jane S in Vic's Year but I'm happy to take the credit! (on your behalf of course).

We also received a letter of thanks from the Librarian at the OLSH International School in Kavieng, East New Britain Province, PNG. High-Rise provided financial assistance for the purchase and transport of educational books to the school. This had been a joint effort with The Rotary Club of Capalaba and students from schools in Oakey and Toowoomba. They purchased mainly new or near new dictionaries, biographies and science and geography texts and they were all transported up in a container to Kavieng.

Our final project for the year is The Smith Family Christmas Appeal - please assist as a driver or navigator if you can.

Just a little admin note to finish on: the Board has decided that with only a couple of exceptions, we will not use members surnames in *Hot Air* and members personal details will only appear in the password protected area of the website. We will also stop mentioning birthdays and anniversaries. Sadly the new information highway has a few potholes. We are attempting to minimise the risk of identity fraud.

See you on Thursday.

Yours in Rotary, Kit

INTERNATIONAL TOAST

The Heinemann Dictionary defines the noun *boss* as, 'A person who has charge or control, especially over workers'. A search on Wikipedia lists various people that have been referred to as *The Boss*, for instance Joseph Stalin, Ernest Shackleton and Bruce Springstein.

With 'the boss' of a high profile Australian company in mind (Alan Joyce, *CEO Qantas Airways*), the international toast is to the Rotary Club of **Dublin-Fingal** (District 1160) who meets on Monday in the Clarion Hotel at Dublin Airport in Dublin, Ireland.
